PETITION PURSUANT TO 37 C.F.R. § 1.47(a)

MS PCT

Commissioner for Patents
P.O. Box 1450
Alexandria, Virginia 22313-1450

Sir:

Applicants submit this Petition, pursuant to 37 C.F.R. § 1.47(a), for acceptance of a 37 C.F.R. § 1.63 Declaration for the above-referenced U.S. patent application, as executed by Aref Jallouli, Martin Rickwood, and Kimberly Morgan, co-inventors of the above-referenced U.S. patent application, as individuals and on behalf of Sirisoma Wanigatunga. Sirisoma Wanigatunga, a fourth inventor, has refused to sign the Declaration under 37 C.F.R. § 1.63.

A Declaration of Mark B. Wilson, attorney for applicants, is included herewith. In that Declaration, Mark B. Wilson sets forth that he is an attorney with Fulbright & Jaworski L.L.P. The steps taken, and evidence thereof, to provide Sirisoma Wanigatunga with the opportunity to sign the declaration and assignment are described in the Declaration. As described in the Declaration, a letter dated January 9, 2006, asking for his signature and the appropriate

documents were sent to the last known address and email address of Sirisoma Wanigatunga. *See* Declaration Exhibits 5 and 8. As described in the Declaration and shown by Exhibits 6-9, the package containing the letter and appropriate documents was delivered via Federal Express to Sirisoma Wanigatunga's last known address, and the email attaching the letter and the appropriate documents was received. There has been no indication that the Federal Express package and the email were not properly delivered, or that they were received by an improper party.

As stated in the Declaration, the January 9, 2006, letter contained a request that Sirisoma Wanigatunga return the signed documents by January 24, 2006, and indicated that if those documents were not returned, Mr. Wilson would understand that Sirisoma Wanigatunga had refused to sign them. *See* Declaration Exhibit 5. The Declaration also states that as of the date of its execution, no documentation or correspondence from Sirisoma Wanigatunga had been received.

Attached to the Declaration as Exhibit 10 are copies of inventor declarations signed by Aref Jallouli, Martin Rickwood, and Kimberly Morgan on behalf of themselves as individuals and on behalf of Sirisoma Wanigatunga, pursuant to 37 C.F.R. 1.47(a).

The last known address of Sirisoma Wanigatunga is:

Sirisoma Wanigatunga
13863 Kimberly Drive
Largo, Florida 33774

The Declaration of Mark B. Wilson sets forth sufficient facts that the non-signing inventor has had delivered to him the request to sign the declaration and assignment of the above-referenced application, but has refused to do so. Therefore, Applicants believe that the requirements of 37 C.F.R. § 1.47(a) have been met.

The Commissioner or his delegate is invited to contact the undersigned attorney at (512) 536-3035 with any questions, comments or suggestions relating to the referenced patent application.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'MBL', is written over the printed name 'Mark B. Wilson'.

DECLARATION OF MARK B WILSON
IN SUPPORT OF PETITION UNDER 37 C.F.R. § 1.47(a)

MS PCT

Commissioner for Patents

P.O. Box 1450

Alexandria, Virginia 22313-1450

I, Mark B. Wilson, declare under penalty of perjury that:

1. I have personal knowledge of the facts below.
2. I am a Partner with the Austin, Texas office of Fulbright & Jaworski L.L.P. ("Fulbright").
3. I have been registered to practice before the United States Patent and Trademark Office since 1993, under Registration Number 37,259.
4. I am submitting this declaration under 37 C.F.R. 1.47(a) to establish that one of the named inventors, Sirisoma Wanigatunga, has refused to sign the inventor declaration and has also refused to sign an assignment of rights to ESSILOR INTERNATIONAL COMPAGNIE GENERALE d'OPTIQUE ("Essilor").

5. The present patent application is a U.S. nationalization under 35 U.S.C. § 371 of PCT Application No. EP2003/015046, filed December 19, 2003, in the names of Aref Jallouli, Martin Rickwood, Kimberly Morgan and Sirisoma Wanigatunga, which claims priority to U.S. Provisional Application No. 60/435,949, filed December 20, 2002, in the names of Martin Rickwood, Aref Jallouli, and Sirisoma Wanigatunga.
6. The present patent application lists Aref Jallouli, Martin Rickwood, Kimberly Morgan, and Sirisoma Wanigatunga as inventors.
7. Exhibit 1 contains a copy of an October 3, 2005, letter I sent to Aref Jallouli, Martin Rickwood, Kimberly Morgan, and Sirisoma Wanigatunga, asking for their signatures on an inventor declaration and an assignment associated with the present patent application.
8. Exhibit 2 contains copies of the inventor declarations associated with the present patent application, which list the last known addresses of Aref Jallouli, Martin Rickwood, Kimberly Morgan, and Sirisoma Wanigatunga, and show the signatures of Aref Jallouli, Martin Rickwood, and Kimberly Morgan.
9. Exhibit 3 is a copy of a patent assignment, showing that Aref Jallouli, Martin Rickwood, and Kimberly Morgan assigned their rights in the present application to Essilor in October, 2005. As shown by the absence of his signature, Sirisoma Wanigatunga did not sign the assignment at this time.
10. On December 15, 2005, Martha Robinson, a Patent Prosecution Assistant at Fulbright, informed Dominique Jeannin at Essilor that Sirisoma Wanigatunga had not yet signed the declaration or the assignment, and inquired about the status of these documents. Later this same day, Mr. Jeannin informed Ms. Robinson and me that Sirisoma Wanigatunga

had left the company and was not expected to sign either document. Exhibit 4 contains a copy of the email exchange of Ms. Robinson and Mr. Jeannin.

11. On January 9, 2006, I sent a letter to Sirisoma Wanigatunga, as shown in Exhibit 5. I enclosed with this letter a copy of the present patent application, the concurrently-filed preliminary amendment, the application data sheet, the transmittal letter regarding the application, and the postcard received from the Patent and Trademark Office. I also enclosed copies of the declaration and assignment, which lists the three other inventors for the present patent application.
12. In the January 9, 2006, letter, I stated, "After reviewing the [documents discussed in paragraph 10 above], please sign the enclosed declaration and assignment where indicated, fax the signed documents to me at 512.536.4598 (or send documents as a PDF to mbwilson@fulbright.com) and return the signed originals using the enclosed, self-addressed, prepaid Federal Express envelope. Further, if your home address has changed, please cross through the incorrect information on the declaration, insert the correct information, and *initial and date any changes*. If you do not provide us with these signed documents by **January 24, 2006**, we will understand that you have refused to sign and proceed to take steps to have ESSILOR INTERNATIONAL COMPAGNIE GENERALE d'OPTIQUE sign them in your stead so that we may continue with the prosecution of this Application without your signature."
13. The January 9, 2006, letter and accompanying documents were sent in a package via Federal Express to Sirisoma Wanigatunga at his last known residential address. Exhibit 6 shows a copy of the Federal Express receipt and its tracking number. Documentation that

the package was delivered is shown in Exhibit 7, a printout from the FedEx Tracking website.

14. As shown in Exhibit 8, the January 9, 2006, letter and accompanying documents were emailed to Sirisoma Wanigatunga at his last known email address. Exhibit 8 comprises two printouts of the same email using different printing options. Exhibit 9 shows that the email message was received.
15. As of the date of the execution of this Declaration, I have received no correspondence from Sirisoma Wanigatunga.
16. All statements made of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued on it.

<<ESSR:094US ASSIGNMENT.DOC>> <<ESSR:094US DECLARATION.DOC>> Dear Mr. Jeannin:

On October 3, 2005, we sent the Declaration and Assignment to each of the inventors to sign and return. We have now received a Notification of Missing Requirements which will be due to the Patent and Trademark Office on February 7, 2006 and need to receive the missing documents. For your convenience I have attached the Declaration and Assignment to this email.

Aref Jallouli and Kimberly Morgan have both signed the Declaration and Assignment.

Martin Rickwood signed the Assignment, but not the Declaration.

Sirisoma Wanigatunga has not signed anything.

Will you please find out the status of these documents from Martin Rickwood and Sirisoma Wanigatunga?

If you have any questions or if there is anything that I need to do, please let me know. Thank you for your attention to this matter.

Entitled: "Spirotetrathiocarbamates and Spirooxothiocarbamates"
Client Ref. P909PCT/US Our Ref. ESSR:094US
ACTION: SIGN AND RETURN

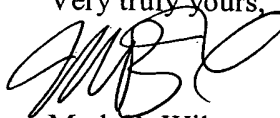

Dear Mr. Wanigatunga:

Enclosed for your review is a packet that contains a complete copy of U.S. Serial No. 10/540,176 as filed June 17, 2005, including the Utility Patent Application Transmittal, the Application Data Sheet, the Preliminary Amendment, and the postcard returned by the Patent and Trademark Office. Also enclosed for your signature is a declaration and an assignment. Each of the other inventors have already forwarded us their signed declaration and assignment.

After reviewing the above documents, please sign the enclosed declaration and assignment where indicated, fax the signed documents to me at 512.536.4598 (or send documents as a PDF to mbwilson@fulbright.com) and return the signed originals using the enclosed, self-addressed, prepaid Federal Express envelope. Further, if your home address has changed, please cross through the incorrect information on the declaration, insert the correct information, and initial and date any changes. If you do not provide us with these signed documents by **January 24, 2006**, we will understand that you have refused to sign and proceed to take steps to have Essilor International Compagnie sign them in your stead so that we may continue with the prosecution of this Application without your signature.

Please do not hesitate to contact me with any questions.

Very truly yours,

Mark B. Wilson
